

CITY OF HENDERSONVILLE
ASHE STREET NEIGHBORHOOD AND 4TH AVENUE WATER AND SEWER REPLACEMENT

ADDENDUM NO. 1

April 15, 2024

The attention of all Bidders on the above is called to this Addendum No. 1:

1. Pipe Cleaning Operations:

The City of Hendersonville will provide bulk water to the Contractor, free of charge, at any of its three (3) bulk water filling stations for pipe cleaning operations associated with this project. These stations are located at the city operations center, water treatment facility, and wastewater treatment facility.

Material removed from the sewer as part of cleaning operations will be decanted by the Contractor within the project limits. Decant liquid associated with sewer cleaning may be disposed of by the Contractor in any appropriate sewer manhole within the project limits. Solid spoils associated with sewer cleaning may be disposed of by the Contractor at the city wastewater treatment facility under the covered drying shed.

The Contractor will call city facilities to coordinate prior to bulk water filling or spoils disposal. All activities involving city facilities will need to be conducted within typical business hours. Contact information for available facilities is provided below.

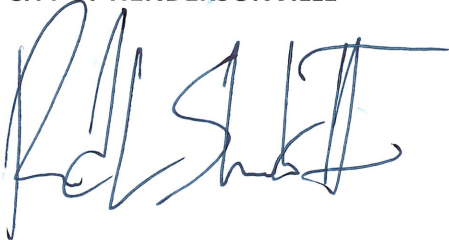

Hendersonville City Operations Center
